EDICATION

The Class of 1965 would like to express its appreciation for the immeasurable contribution Mr. Jack Coffey has made to its education at Lick. Witty and friendly, he is one of those rare teachers who thoroughly communicate with their students.

Mr. Coffey, who was educated at U.C.L.A., came to Lick in 1961 to teach English, his major, and Music Appreciation, his minor; he also has charge of the Glee Club. His witty and stimulating lectures will never be forgotten by any Lick student. Most of us were intellectually awakened for the first time in his English II course.

His standards are high and every student feels challenged to do his best. The Senior Class feels that Mr. Coffey has been a unique part of our education. It is fitting that we, the Class of 1965, should dedicate this yearbook to a man to whom we owe so much, Mr. Jack Coffey.

FACULTY

Director's Message

Pride in achievement is one of the most worthwhile human reactions which can be advocated. With the knowledge that "Pride (to quote an old saw) cometh before a fall," we must temper even our pride in this regard with the knowledge that achievements must continue to challenge and that achievement cannot be valuable without planned continuity. However, these students have planned and have given an accurate report of the achievements and results of the school's activities. In doing so they have shown originality and good taste in the full coverage of the school year - - these Lick students must be allowed their moment of pride in achievement as they present this yearbook.

As Director I am also proud to see what our students have done in reporting for posterity the events of the 1964-1965 year at Lick-Wilmerding. The **Tiger** has captured the enthusiasm for student participation in achievement which has been a vital part of this school year.

I am grateful to the staff of the **Tiger** for pointing up the continuing challenges which the school offers to its students, parents and community. My congratulations, therefore, to the editor and his staff for this fine yearbook, my congratulations to the Lick-Wilmerding students who have provided achievements which have made excellent copy for the contents of the **Tiger** and to all members of the faculty for their most significant part in creating and developing an atmosphere conductive to achievement in all work undertaken by their students. Finally, I express for all of us involved in the life at Lick-Wilmerding deep gratitude to our Board of Trustees who give of their time and effort to provide the opportunities inherent in keeping Lick-Wilmerding traditionally tuition-free and open to all qualifies students.

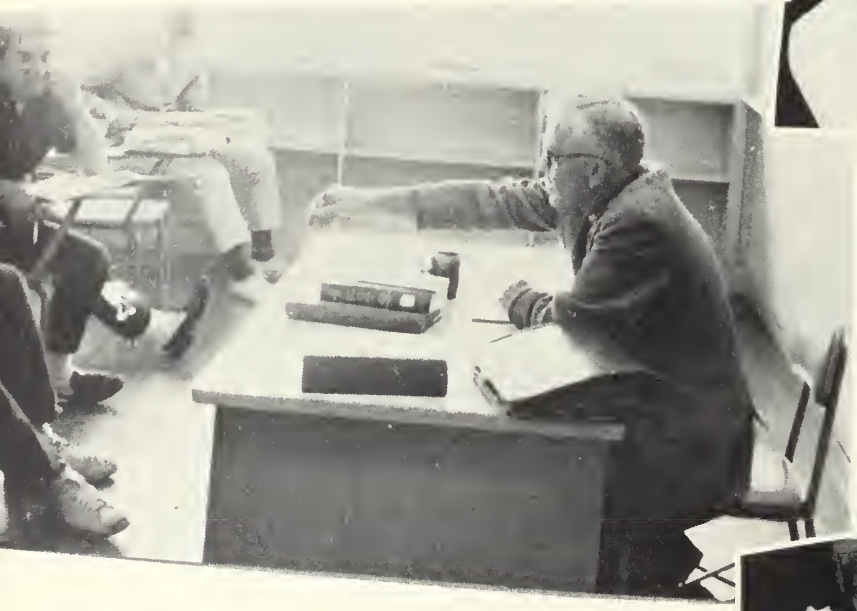
If you look closely you can see a dirty word . . .

Is it the virtual image that's in front of the mirror, or is it the real image that's behind the mirror, or maybe it's the image . . .



And then the farmer's daughter said to the traveling salesman . . .

Say, look at the crowd of germs that followed Bennett in!

Watch it, Schiff, or I'll judo you to death!

"...Whether you are citizens of America or citizens of the world, ask of us here the same high standards of strength and sacrifice which we ask of you. With a good conscience our only sure reward, with history the final judge of our deeds, let us go forth to lead the land we love, asking His blessing and His help, but knowing that here on earth God's work must truly be our own."

Looking back on four years at this wonderful theater of the absurd, I remember: Linda (whoever she was), Cathy (we sang in the sunshine), the animal wallowing in existential pessimism, Paul's eye, Jim's leadership abilities (?), Craig's humor, Bob's nose, Diamond's Digit, Westlake (I don't care what you people say, it's a great place), the Annual Squaw Valley Nausea, thinking for a change for Jack, Ray, Rita, and Doc, J. K. playgrounds Country Club, The Junior - Senior Picnic (my what a cooperative student body and what a fine V. P.), parties in Berkeley, North Beach, Stinson Beach, and all of our numerous other debaucheries and orgies too evil to mention, and even the surprise wocabs. - - - but most of all, I remember coach Drocco snarling and yelling, "What's the matter, don't you **like** to play football??!!", etc., etc., ad nauseum.

Annual School Musical

THE MASCULINE TOUCH

This year the school play was presented in the fall term. This departure from tradition proved to be very rewarding in that a larger audience had the opportunity to enjoy one of the better plays presented at Lick in the past few years.

This original musical comedy with book and lyrics by Mr. Edwin M. Rich, and music by Mr. Jack Coffey, was the story of the first woman president of the U. S. Judy Menzies played the president and Phil Williams played opposite her as the irate husband. Cathy Blumlein was cast in the role of the ugly-duckling daughter who grows up to marry a secret serviceman, played by Rich Nutting. Evvie Clewans and Mark Cozad played a pair of meddling gods, while Gil Alvarado, Pete Haas, and Mike Raskob portrayed a trio of public relations men. Jeff Ruesch also appeared as a dumbfounded and somewhat irked Secret Service man.

The cast included several other supporting characters and a large chorus. The whole cast showed a lot of spirit and enthusiasm, and ad-libbed many times, giving the production a spontaneous, fun-filled lustre. It was a financial success too, and helped to finance the Senior Prom.

Despite such handicaps as a small turn-out, a young and inexperienced line, and injuries to key personnel, Coach Drocco's Battling Bengals managed to post a creditable 3 - 3 record in league play. The season opened with close losses to non-league opponents Oceana and Terra Nova. But when league play opened, the Tigers had finally begun to jell as a team, and they successively crushed the California School for the Deaf in Lick's television debut, Emeryville, and Half Moon Bay. In the last three league games, the eleven iron men played their hearts out; however, they met obstacles greater than expected, as they lost three heartbreaking games. Menlo squeaked by for a 13 - 7 victory marred by miscues and the officiating. S.R.M.A. simply outran the tired, undermanned Bengals. The most memorable characteristic of the St. Vincents game was the mud.

Although the Fighting Tigers had only an average season as a team, several individuals turned out consistently excellent performances. As usual, the Tigers' omnipotent scoring threat was presented by Dave "Snake Hips" Rohlf and Jim "Golden Boy" Ward, who gained over 1500 yards between them. Vic "The Animal" Richards once again proved that desire and aggression count more than size. All three were named to the All-Conference first team.

In addition to these stars, there were many others who performed their assignments efficiently and enabled the Tigers to function as a team. Among these were backs Chris Cheek and Charlie Pengra, ends Dave Reed and Craig Root, and linemen Bob Schiff and Jeff Black. Many of the young Tiger linemen - - Pete Richards, Rick Levy, Don Fowler and Nate Kaufman - - will be returning next year.

Some people felt that they were disappointed by the Tigers' record this past season. But for the players themselves, there can be no disappointment. Their pleasure comes from playing the game, and from the knowledge that there were eleven iron men who played side by side for a long time, who got to know themselves and each other, and who had a hell of a lot of fun.

Basketball

The Lick Cagers, lacking height and experience, employed their considerable other talents to prove that these two qualities are not essential to a winning team. The team, with only three returning players from last year's Bay Counties League co-champions, showed its inexperience in the early season by dropping four close practice games.

However, by the beginning of the league season, the team had developed into the best squad in the league. After rattling off ten straight conference victories, the Tigers dropped one to Menlo's powerful Acorns, 68 - 58. A week later, the Tigers smashed the same Menlo five, 53 - 37, and the league season with a 13 - 1 record, taking their first undisputed championship in six years.

The Tiger offense, led by Senior Rick Marcus (503 points 20.1 ppg) Junior Joel Black (428 -- 16.5), and Sophomore John Cowan (265 - - 11.5), averaged 69.8 points per game, while the pressing zone defense held its opponents to a mere 423. The Tigers finished the season by crushing S. R. M. A. 105 - 54. Lick's front line, composed of Rick Marcus, the league's strongest rebounder, Mike Veuve, and John Cowan was superb on the boards. The combined talents of Joel Black and Vic Richards gave Lick the league's toughest backcourt combo.

To no one's surprise, Joel Black and Rick Marcus were unanimous choices for all-conference and John Cowan was chosen to the second-team all-league. The combination of great teamwork and a perfect blend of talents brought the BCL crown to Coach Hall's Tigers.

Absent: Andy Wilson

Although Lick lost most of its tennis team last year, Coach George Hall is still hoping for a very successful season: "This is not only a building year for Lick, but also a building year for most of the other schools in the league." Coach Hall thinks that the Tiger netmen have a good chance of beating Menlo, Lick's arch-rival in the Bay Counties League, in both matches.

On the tennis team this year are, in order of their rank: Peter Youtz, Andy Wilson, Andy Massie, Doug Whitener, Rusty Tahir, Jim Kerner, Ron Friedman, Zack Schlesinger, John Kerner, and Euwie Hill. This order, however, is in constant change, as Coach Hall uses the ladder system; that is, each boy has the right to challenge another boy for his place on the ladder. As it stands now, the only person who can be sure of his rung is Youtz, the top man.

Coach Hall also keeps a tennis squad to fill in where necessary and to provide for the time when the seniors graduate. This squad consists of Hutton Landon, John Dunphy, Dan Frank, Ed Cherney, Rick Levy, Jeff Ruesch, Steve Douglas, Bruce King, Dave Haet, Rod Savorgnan, and Sandy Peiser. The Coach thinks that the underclassmen will make a good score for the team for several years.

All in all, the prospects are excellent. So far, through one round of league play, Lick has not lost a set. As the Tigers enter the second round of league matches, all signs point to a repeat of last year's championship.

Baseball

A new coach, Vince Moreci, a new pitching staff, and substantial changes in the infield and outfield greeted the baseball Tigers as they returned for another Bay Counties league season. Without their star All-Conference pitcher, Gerry Courtney, for the first time in four years, the baseball team is counting on fastballing southpaw Dave Rapaport and curveballing "junk artist" Mike Blumlein to fill the bill.

Hoping for another .400 plus season, All-Conference catcher Dave Rohlf, who is also captain of the team, is again vying for the honors. Other returning varsity men are outfielders Bill "Willie Joe" Rothschild and Gil Alvarado, infielders Charlie Morgan and Rick Goldman, and utilityman Martin Ritchie. Former J. V. stars Nate Kaufman (3B), George Miers (SS), Jim Knox (SS), Pete Richards (2B), Larry Wrockloff (C), and Wayland Secrest (OF), are expected to help out in a big way. New additions Vic Richards, (OF), Jim Ward (OF), Neil Stipanich (1B), and Duncan Russell (OF) will help to provide the batting punch needed for a successful year.

Unfortunately, the Tigers did not get off to as good a start as expected. After four trips to the line, Lick is still looking for its first league win. However, the team is sure to jell as soon as the pitching, hitting, and fielding can all be put together. Although this year may not bring a championship to Lick, all signs point to success in the future.

Swimming

This may well be the year that the Lick swimming team beats Menlo. The spirited Tiger team, under the watchful eye of Coach Rolf Penn and led by Phil Williams, Monte Smith, and Wes Ashford, have proved their capability to this time, and have shown that they can be tough competition for practically any team in the area.

This year marks the end of the successful careers of two of the best swimmers in Lick's history. Phil Williams and Monte Smith have always risen to the occasion whenever it was necessary. At one time or another, the "Great White Whale" and the "Work Horse" have swum almost every event possible. The only surviving member of the team's top three is Wes "Golden Boy" Ashford. He has broken his own 200 and 400 yards freestyle records almost every time he has swum in a meet.

But a team such as this isn't made up of just three members; there are many others who have contributed to its success. The breaststrokers are Larry "The Mouth" Susnow and Dave Gibbs. The freestylers consist of Jim "Buzz" Ruane, Chip McKinney, and Jeff Black. The Utility team is composed of Mike "Stymie" Wiener and Pete Haas, who have served as timers, counters, pool cleaners, and "fill the hero-spot" swimmers. The backstrokers are Paul Mann and Ed Daube. And, for the first time in many years, there is a diving team -- Mike Harrington and Jim Murrell.

All the members of the "B" team are highly versatile. Bob Figari shows great potential, and John Goldman should turn out to be a top breaststroker. Dave Quinn, Tom Culp, Alan "Puppy Dog" Gibbs, Chris Forgerson, and Josh Reichert make up the rest of the "B" team.

All signs point to this being one of the biggest years in Lick swimming history. In the practice meet with Menlo, the Bengals lost by only eight points, as compared with forty two years ago and twenty last year. With Lick's improvement by the day of the conference meet, the swimming team has the best chance ever of deposing Menlo.

This Track season promises to be Lick's best in years. The team is led by seniors Dave Reed, probably the league's best miler, and Rick Marcus, who does practically everything. Marcus, the defending league champion in the high jump and broad jump is backed up by senior two-miler Bob Diamond, juniors Rick Shea in the broad jump and 220, Dave White in the sprints, Rick Leonard in the high jump and 880, Jim Pappas in the broad jump, and a large turnout of underclassmen.

The strong J. V. team, which crushed Menlo, is led by Frosh Charlie Brochard, who captured the high jump and 120 in the first meet.

Under the watchful eye of Coach Thomas, the fourth in as many years, the track team can finally regain its long lost league domination.

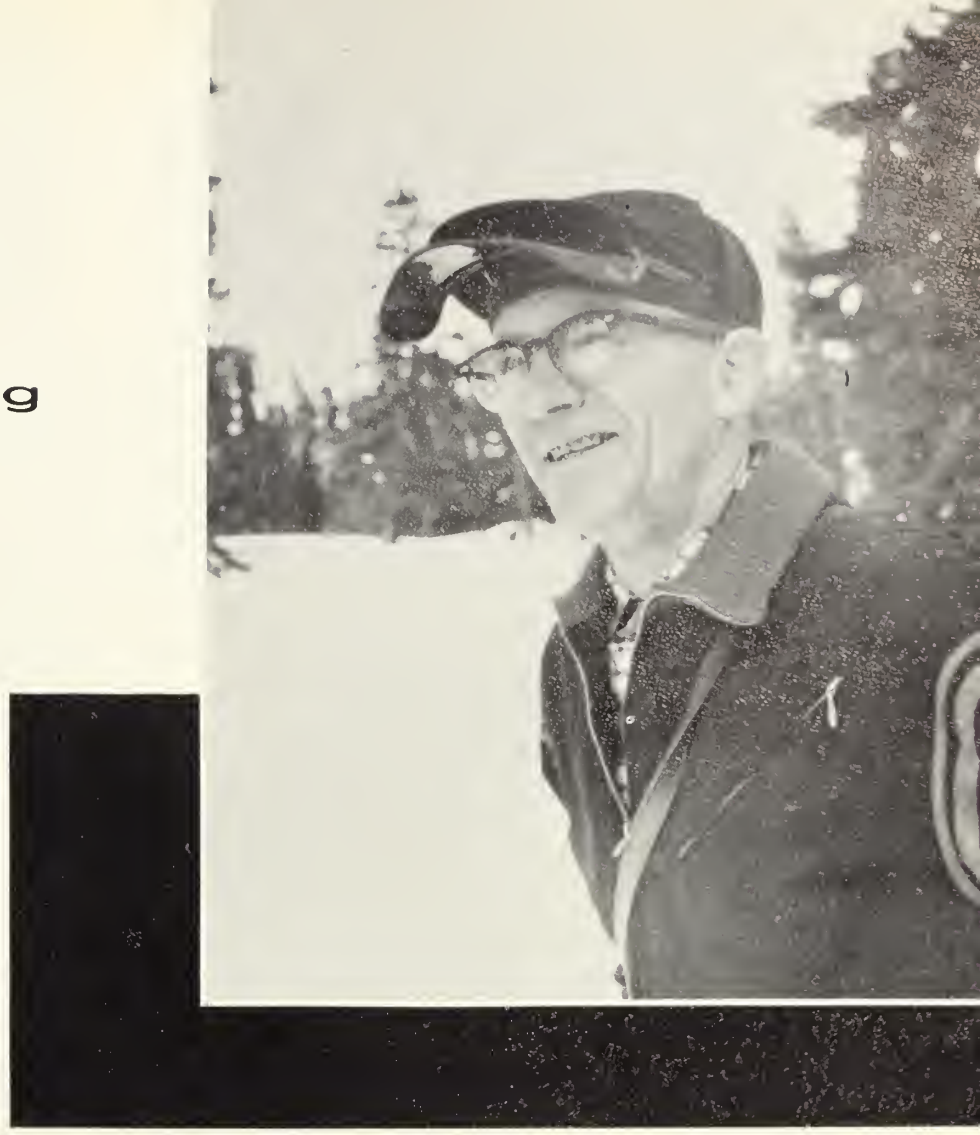
Mr. Thomsen's 25th Year at Lick-Wilmerding



1965 is Mr. Thomsen's 25th year of teaching machine shop at Lick-Wilmerding. For his years of dedicated service, we choose to honor him.

Mr. Thomsen was born in Hamburg, Germany, and went to school there. From his inventor father, Mr. Thomsen inherited his ingenuity. In the 20's, he crossed the Atlantic and the continent to San Francisco and settled here. During the Depression, he worked as a foreman in an industry. In September of 1940, Mr. Thomsen came to teach machine shop at Lick. He acquired all of the machines from surplus and renovated them with the help of his students. We can thank him for the excellent condition of the machine shop today.

As the students who are taking and have taken machine shop from him know, Mr. Thomsen is a perfectionist and a task master in the best sense of the word. Despite the possibility of many jobs which would have paid him many times what he has earned here, he has chosen to stay at Lick and teach. Both faculty and students alike appreciate Mr. Thomsen's devotion and cooperation.

We all thank you for your twenty-five years of excellent teaching and help, Mr. Thomsen, and wish you twenty-five more years of the same.

Sure it laaks all right, but da yau really think it will fly?

Editor's Message

In the opinion of this year's Tiger staff, a yearbook should be a record of the merits, achievements, and perhaps even the absurdities of the student body. It should concentrate on the senior class, but should also cover the activities of the underclassmen. A yearbook should be entertainment for the present and for the future; it should be readable and **re**-readable. It is with these objectives that we have created this yearbook.

I would like to thank my entire staff for their cooperation and hard work in producing this yearbook. I would especially like to thank Doug Kaye for developing the candids and Larry Susnow for taking the activity photos.

We all thank Mr. Penn for his immense effort and time spent on the tiger shots. He sacrificed an entire Sunday photographing the Tiger in the various parts of the city with Mrs. Penn, Jim Ward, and myself. We had several interesting experiences that day,and two are quite memorable. Both took place in the zoo, where the animals weren't at all sure that our stuffed tiger wasn't real. The monkeys pointed at it and chattered knowingly as they followed our trek around Monkey Island (see Underclass divider), and one of the tigers became so enamored with our supposedly very attractive tiger that he wanted to follow it right out of the zoo. Too bad there was a wide moat separating them.

We've all had a lot of fun producing this year's TIGER and hope that you will derive an equal amount of enjoyment from reading it.

Sincerely,

Bill Stanisich
